

FOOTSTEPS

Footsteps, for me, has shown that I shouldn't be frightened to learn even if I feel that I am not academic enough. Footsteps provides a safe and open-minded space for me to delve into my Christian faith, where I feel encouraged and my faith is sharpened.

*Hayley Hughes
Footsteps 1, 2016-17*

Footsteps is a place where you open your mind and your heart to God and to others. Wherever you are on the journey of faith and whatever theological camp you come from, at Footsteps we can bring all our complexities, doubts and questions and learn together.

*Tim Hughes,
Footsteps 1, 2016-17*

Footsteps has been amazing. On setting out I was very concerned about how I, and the family, would cope with a whole Saturday out each month. After the 2nd one it wasn't a concern at all. I now view the end of 2 years with some trepidation! The course has been fascinating. The variety of subjects has been really interesting as well as challenging and has helped my spiritual journey enormously. The worship option has been particularly helpful in the role I have at church and has given me the confidence to try new things. The other members on the course have become good friends and we support each other as we journey together. I am thankful that I have had such a great opportunity to learn more about my faith and it has wetted my appetite to learn more!

Helen Evans, Footsteps 1 and 2, 2015-17

Footsteps has helped re-ignited a passion for better understanding the Bible. It has transformed studying the Bible from a boring chore into an exciting joy. It's helped me see that some things I've believed in, simply because of what others have believed in as I grew up, are not necessarily the truth. I thought that learning about Baptist history and principles was going to be dull, but I've found that it's really interesting and brings everything else we are doing into perspective.

Footsteps won't allow you to stay the same. Expect God to challenge and speak to you. Come as you are and be changed!

Craig Williams, Footsteps 1, 2016-17

Have you asked if Footsteps is for you? Yes, it's for everyone of any denomination, any age, taught by quality, practising Christian leaders, many of them Baptist ministers. One day a month is not enough!

Brenda Nield, Footsteps 1, 2016-17
