March 2021

Dear Friend,

Easter Greetings from the CBA! Because Geoff is undergoing a stem cell transplant and therefore currently not in post, this letter comes on behalf of the Ministers' Conference Planning Group. We're writing to you about our forthcoming Annual Ministers' Conference, which we are anticipating will take place from 18<sup>th</sup> – 20<sup>th</sup> October at High Leigh, Hoddesdon. Of course, we cannot be certain about this given the year we have just had, but we are hopeful.

Our speakers are those that we had to cancel last year, namely Ken Benjamin, previous President of the Baptist Union and now working with L.I.C.C. (London Institute of Contemporary Christianity), Ruth Moriarty, Minister at Christ Church New Southgate / Friern Barnet (Baptist / URC) and Lou Webber, Minister of Broadway Baptist Church, Chesham.

Attached is an application form. As usual, the full programme will be sent in September, along with a request for the balance. While it's possible to come for just a day, or even a half-day, please do consider attending for the entire conference. In the pre-Conference letter we will include a list of those attending to help shared travel arrangements.

This comes with all good wishes and prayer for God's blessing upon your ministry, and also to request your continued prayers for our dear friends Geoff and Cazz as they navigate this next stage of treatment.

Grace and peace,

The CBA Ministers' Conference Planning Group
