#### EXCHANGE OFFER:

Dear brother or sister in Christ,

I am a senior pastor in Evansville, Wisconsin – USA. I serve at a Baptist Church called Oak Grove Church. Our congregation has been independent since 2000 when our denomination (American Baptist Church) stepped away from the authority of God's Word in ways we (& other local ABC congregations) could not support. I've been ordained by the Southern Baptist Convention.

Like the Baptist Union in the UK, our ministry has implemented a sabbatical for the pastor every seventh year. This coming summer will be 7 years since I last had a sabbatical. (I'm in the 13<sup>th</sup> year of service at Oak Grove.) As I was researching sabbatical opportunities and resources I came upon the very helpful *Baptists Together* document "Sabbatical Leave – Information for Ministers.pdf" to which I agree.

I am contacting you in the possibility that I and another pastor/family planning a sabbatical in 2019 may be able to swap locations for some portion of the summer of 2019. I'm open to discussion and certainly have my own questions. My church's website is: [www.oakgrovechurch.com](http://www.oakgrovechurch.com)

At the outset, I'd like you to know that Oak Grove Church is a vibrant congregation founded in 1856 and deeply rooted in Christ. We would welcome a guest preacher at times, but would not necessarily need his services in the pulpit or pastorally. We have several elders who regularly preach & will be filling the pastoral needs of our growing congregation during my absence. The pastor and his family would have use of my home, library and car/van during his stay in the USA. Evansville is a smaller city (5,000 people) in a quiet rural setting. We are a 30 minute drive to Madison our state capital, 60 minute drive to the Wisconsin Dells (a water park and outdoor tourist location) and 2 hours from Chicago. I have 7 children ages 2 to 18, so our home can accommodate a larger family.

Get in touch with Stephen Copson if you would like to have contact details.
