

Chiltern Way, March-May 2015: Walking Together Literally

Walking Together Literally!

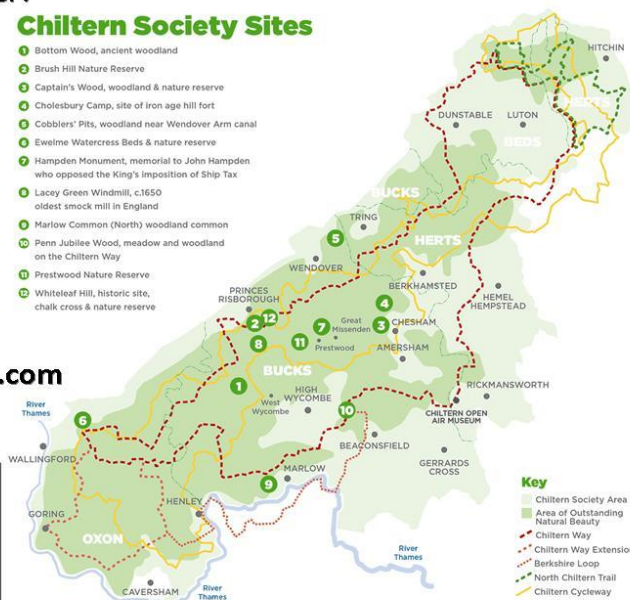

- Total miles: **159** spread over 15 days of walking. This represents 1 mile per CBA church.
- Walk approx. 5 or 10 miles with me, or meet the walkers at lunchtime (roughly halfway).
- Bring a friend, or your dog. I would like company as I walk—the more the merrier!
- I'm hoping to see how local mission is happening in creative ways. Tell your story, or invite me to church services and outreach events in March—May this year.
